

COURSES IN 2025

30th March to 19th April and 29th June to 16th August

ACADEMIC PROGRAMME

BOSS adopts a learner centred approach and the content of our academic programme is carefully prepared by our energetic and committed team on the basis of each students' individual assessment and needs.

PROJECT BASED LEARNING

These practical lessons allow our students to use independent learner strategies under the guidance of their teachers. Students must use their imaginations to research, produce and present their work in these creative lessons.

ACTIVITIES

We offer a range of activities including sports, arts and crafts, drama and music as well as exciting activities every evening that involve all students together as they compete in a variety of challenges and shows. Think music, mess and mayhem!

ACCOMMODATION AND FOOD

We have three houses for boys and three houses for girls. Our chefs can cater for any dietary requirement and are part of the 'Buckswood Family' so you can talk to them any time about your food.

BOSS ACADEMIES

At BOSS we like to offer our students as many activities as possible and as well as the fantastic onsite activity programme that we offer, we also offer professional academies including horse riding, football and tennis.
